INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On July 26, 2004, the Examiner and the undersigned conducted a telephonic interview regarding the above-referenced patent application. During the interview, claims 1, 4, 6, 7 and 8 were discussed.

No agreement with respect to the aforementioned claims was reached at that time. In particular, the Examiner indicated that he would like to enter an Examiner's amendment to rejoin claims 4, 6 and 7 and amend them to delete the reference to the at least one auxiliary wheel since claim 1 already includes this element. In addition, the Examiner also indicated that claim 8 is directed to a specie that does not fall within generic claim 1 as it currently stands, and therefore should be deleted from the application.

During the interview, the undersigned indicated to the Examiner that the aforementioned amendments would be considered.

Subsequent to the telephonic interview on July 26, 2004, the undersigned left a message on the Examiner's voicemail on July 27, 2004 agreeing to the above-referenced proposed Examiner's amendment to: 1) rejoin and amend claims 4, 6 and 7 to delete the reference to the at least one auxiliary wheel; and 2) cancel claim 8 without prejudice or disclaimer.

Applicant does not believe that any fees are due at this time, however, if any fees have been overlooked, the Commissioner is hereby authorized to charge Deposit Account No. 10-0223 to cover any such fees.

Dated: 7/28/04

Respectfully submitted,

Dennis B. Danella
